Specific rules and regulations

Rules

The races of UEC Cyclo-cross European Cup are run under rules, conditions and instructions of UEC.

Races of categories entered in the UCI calendar must fully respect the UCI rules.

Races of categories entered in the national calendar must fully respect the rules of the relevant national cycling federation.

Start numbers and results services

Each organizer of UEC Cyclo-cross European Cup event have to provide start numbers and an appropriate result service.

The electronic device provided by the timing service provider shall be identical for all riders participating in the same race. It shall be considered as an identification number, similar to the start numbers (1 body number and 2 shoulder numbers).

The results of races of all categories must be sent electronically to the UEC after the end of the race. Moreover, the results of races entered in the UCI calendar must be transmitted also to the UCI via the UCI DataRide.

Anti-doping control

Anti-doping will be carried out according to UCI or National rules as appropriate.

Prizes

All prizemoney for individual events to be paid directly from the organiser to the rider.

The scale of prizes for the final individual classification of the UEC Cyclo-cross European Cup will be determined by UEC Management Board.
